

Dear

*Rocky Marasli,*

On behalf of DeLuca Homes and Tom and Betty Doyle, we would like to extend to you our most sincere 'Thanks' for your participation in building the Doyle Family's new home. Whether your donation came in the way of materials, labor, time or all of the above, it is appreciated by us all and we are extremely grateful for your willingness to help.

It was not long ago that we humbly reached out seeking your support in this endeavor and because of your generosity we were able to deliver a home to two wonderful people who deserve all of the kindness in the world. Thanks to your contributions, Tom and Betty moved into their beautiful home last month and can feel settled in the fact that Tom now has a place that can accommodate his medical and lifestyle needs.

Both the DeLuca Homes Family and the Doyle Family will be forever grateful for your contributions and will never forget your kindness.

With great appreciation,

*Tom*
