Dear Rocky:

You have set hope in motion and captured HomeAid Northern Virginia's commitment to rebuilding lives by participating in the HomeAid Shelter Care Project led by Lennar Homes for Cornerstones in Reston, Virginia.

Northern Virginia has over 5,000 homeless people, mostly children, who live in cars, wooded areas, and move from borrowed space to borrowed space and struggle to survive – and those numbers continue to rise. HomeAid's mission of building and renovating shelters and transitional housing gives hope to these families in need.

Your donation of labor and/or materials to this Shelter Care Project in the amount of \$375 will help Cornerstones provide more services and programs to those in desperate need in our community, and help get them back on their feet.

We truly appreciate your support and participation. Thank you.

Most sincerely,

Lisa Newman
Program and Operations Manager
