Dear F Ahmet:

Thank you for your \$100 donation to HomeAid National Capital Region via the Art Show and Diaper Drive event. Because of your generosity, we can continue to provide much needed baby supplies to our nonprofit partners serving those who need a helping hand with infant care throughout the region.

Since our inception in 2001, we have completed over 170 construction projects and, in doing so, invested over \$19 million to upgrade properties that serve those in our area who need a hand up – with 60% of that amount provided as savings to the nonprofit organizations allowing them to allocate their resources to their life-changing programs and services.

HomeAid continues to be a vital force in making sure nonprofit buildings are up to code, ADA compliant, provide upward mobility, and bring a sense of dignity to those being served. Thank you for supporting our work in helping to build communities where people live, work, and play.

Most sincerely,

Kristyn Burr
Executive Director and CEO
