Dear Ahmet,

On behalf of everyone at HomeAid National Capital Region, thank you for your generous donation of \$50.00 to our Builders for Babies Diaper Drive. Your support allows HomeAid to continue our mission of helping people experiencing or at risk of experiencing homelessness build new lives through construction, community engagement, and education while also providing essential items like diapers and wipes to our nonprofit partners.

For many families throughout our region, accessing enough diapers to keep their children clean, dry, and healthy is a challenge. Your contribution has made a real difference in the day-to-day lives of parents by helping to ensure their children are cared for with dignity.

As the need for basic necessities continues to grow, your commitment to safe, stable housing and comprehensive support services is more important than ever. We are deeply grateful for your generosity and for championing our belief that no parent should ever have to choose between putting food on the table or purchasing diapers.

Thank you again for your steadfast support. It is because of dedicated partners like you that we can continue to positively impact the lives of those we serve.

Please don't hesitate to reach out if you have any questions or would like to learn more about the impact of your support.

With sincere gratitude,

Kristyn Burr
