

Hey Rocky,

We hope you had a wonderful and restful holiday season, and wanted to reach out with one final **THANK YOU**. In 2025, we set the ambitious goal of raising \$250,000 for Homes for HOPE and because of your tremendous generosity, we not only met our goal but exceeded it!

We ended 2025 with trade partner contributions totaling **\$269,243**. That means, with Keystone’s dollar-for-dollar match, we raised a total of **\$538,486**.

Here is the difference that money can make for entrepreneurs and families across the world:

- Launches almost **50** new savings groups in new communities
- Provides **897** expansion loans to entrepreneurs
- Equips **2,692** entrepreneurs with first-time loans

If you are curious about how HOPE distributes their donations, you can find their financial reports and more [here](#).

2025 was a year that posed its own unique challenges for our industry and we are so grateful to each of you who stretched your limits both as a partner to Keystone and as a giver to Homes for HOPE. **You are making a difference in the fight against global poverty.**

Happy New Year to you and we wish you a prosperous and fulfilling 2026!

Gratefully,

Jeff Rutt
